MANUAL

MULTIPLE GUITAR RACK STAND - FLAT PACK

RS 20880 B/1 FP • RS 20881 B/1 FP • RS 20882 B/1 FP

Congratulations on your purchase of a RockStand® Multiple Guitar Rack Stand. This high-quality instrument stand ensures the safe storage of your instruments. In this package you will find all the pieces you need for assembly. Please read and follow the instructions of this manual carefully before use.

Characteristics & Advantages

- Securely holds up to 3, 5 or 7 Electric Guitars or Basses
- Foam padding for extra instrument protection
- Easy to assemble
- Collapsible for easy storage and transport
- Rugged, powder-coated metal construction
- Non-slip rubber feet
- Patent protected
- Color: Black

Make sure that the ground where you assemble your **RockStand®** Multiple Guitar Rack Stand is absolutely level and stable. Never use the stand on uneven surfaces or on surfaces which will not support its weight equally under each leg. Ensure that all screws are securely tightened before use.

Multiple Guitar Rack Stand - Flat Pack

RS 20880 B/1 FP • RS 20881 B/1 FP • RS 20882 B/1 FP

Content:

- (1) 2x Rest
- (2) 2x Foot
- (3) 2x Riser
- (4) 1x Top Rest
- (5) 1x Plastic Bag with Mounting Accessories

Content Plastic Bag:

- (A) 1x Wrench
- (B) 1x Hex Key Wrench
- (C) 2x Long Socket Screw M6
- (D) 2x Short Socket Screw M6
- (E) 8x Sheet Metal Screws M6
- (F) 4x Washer
- (G) 2x Nut M6

Instructions

1. Place the **feet (2)** on a level and stable floor. Take the **rest (1)** and use the **sheet metal screws (E)** to screw it into the appropriate holes on the **feet (2)**. Use the **hex key wrench (B)** to tighten the screws.

2. Take the **risers (3)** and screw them to the angled flaps on the **feet (2)**. Use a **short socket screw (D)**, a **washer (E)** and a **cap nut (H)** to fix the **risers (3)** to the **feet (2)**. Use the **wrench (A)** and **hex key wrench (B)** to tighten the nuts.

- Place the **rest (4)** on the **risers (3)**. Use a **long socket screw (C)**, a **washer (E)** and a **nut (G)** to fix the the **rest (4)** to the **risers (3)**. Use the **wrench (A)** and **hex key wrench (B)** to tighten the nuts. **Assembly of the RockStand® Multiple Guitar Rack Stand is now complete.**

- For storage and easy transport, the **RockStand®** Multiple Guitar Rack Stand is collapsible.

Intended Use

The guitar stand is meant to be used only to hold guitars or similar instruments, as described in this manual. All other uses not included and described in this manual are hereby prohibited. **Warwick GmbH & Co. Music Equipment KG** is not responsible for any damages caused by misuse or wrong applications of this stand.

Security Guideline

- Keep children away from the guitar stand and do not let them play with it. The guitar stand is not a toy.
- Never use the guitar stand as a ladder or support frame for other things!
- Only place the guitar stand on a level and even surface. **Warwick GmbH & Co. Music Equipment KG** is not responsible for any personal and material damages caused by faulty assembly and misuse.
- **Warwick GmbH & Co. Music Equipment KG** has been tested this stand with various instrument finishes and found no problems. Still, we advise caution with vintage instruments and nitrocellulose finishes. Sweat, environmental pollutants, nitrocellulose and age can create chemical reactions that cannot be tested or predicted, therefore **Warwick GmbH & Co. Music Equipment KG** is not responsible for any damages to the surface finish resulting in these circumstances.
- Please note that the instrument stand is only recommended for indoor use.
- The stand can be used at home or, with safe distance to the audience, on stage.
