

HOW DOES IT WORK?

Volume - Controls the output volume.

Gain - Controls the amount of distortion in the circuit, turn it to the left to clean up your tone.

Presence - Dials in that glassy sparkle.

Treble - A straightforward treble control: To the right boosts treble; to the left cuts.

Bass - A straightforward bass control: To the right boosts bass; to the left cuts.

Middle - A straightforward mids control: To the right boosts the mids; to the left cuts.

POWER REQUIREMENTS

9V Center Negative - Using anything else will ruin your pedal and void the warranty. Consumes 53mA.

WARRANTY

All Westminster Effects carry a limited lifetime warranty for pedals sold within the United States and a one-year warranty for pedals sold internationally, for workmanship and components. The warranty does not cover misuse or damage due to accidents. Tampering with components such as trim pots voids the warranty.
